Hello, Phil! Yes, I am definitely available to meet then. Sorry I missed your call earlier. I will try to call you tomorrow. I have contacts both at So Cal Edison and at LADWP, as far as homeless encampment cleanup is concerned. Can you clarify who has the easement there and I will make sure the right one (or both) will be present? I am also including Jude Hernandez from Assemblymember Rivas' office on this email, as he is currently working with Cal Trans to try to help arrange a cleanup. Thank you, and looking forward to it!

Hi everyone,

I received another call from [REDACTED] today, regarding homeless persons in and around the area at [REDACTED] Sylmar, CA 91342. She states that there are approx. 15 homeless persons, young and old, who are living in the land near her home. I understand the encampments might be scattered throughout the property on areas maintained by the Army Corps and also within the Caltrans and/or SCE/DWP easement area.

I'm going to be in the area next Tuesday, March 19th for another meeting and was hoping to schedule a quick site visit. Please let me know if you or an agency representative is available at the 19th at 1pm. Also, do you have a contact at SCE/DWP that we can invite?

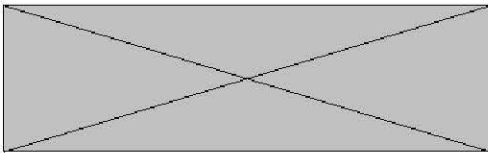

Thank you,
